## BIONIC PRINCIPLE AND DESIGN CONCEPT

Wide tread design, wide tread optimization design, providing beneficial grip performance and off-road performance

The center oriented continuous ribs, the crown center oriented continuous ribs, maintain the straight-line stability of the tire, Oblique groove on rib improves acceleration of tire

## SPECIFICATION PARAMETER

Specifications	Load index Speed level	Adaptab le vehicle
215/75R15LT-8PR	106/103S	NISSAN RACHAE,CHEETAH,FADDY LEONE F16
